Online and Mobile Services: Services offered are subject to their respective terms and conditions, and availability may vary by device. **Zelle®:** Must have a bank account in the U.S. to use Zelle®. Transactions typically occur in minutes between enrolled users. If a recipient is not enrolled with Zelle®, it could take one to three business days to receive the money once the enrollment is completed. *You should not use the Zelle® payment service to send money to recipients you do not know or you do not trust.*
